When children start to learn the basics of music, oftentimes the first instrument that they will pick up is the recorder. Learning the recorder allows kids to get accustomed to reading and playing ...

How to Teach My Kids to Play the Recorder for Free | Synonym

The recorder is a small woodwind instrument, not a big, loud tuba. To produce a clear beginning to each note, you must learn to use your tongue to begin and separate each note. The tip of your tongue should gently touch the back of your upper teeth at the point where the gum-line meets your front teeth.

How to Play the Recorder

For starters, the recorder is a great instrument that is played by everyone from the absolute beginner up to conservatory-trained professionals. There are some differences in how it is used in European compared to American culture--for starters, almost all professional-level players hail from outside of the US, whereas in the United States it is seen primarily as a pedagogical tool.

learning - Why is the recorder a good instrument to start ...

3. Recorders have a mouthpiece that makes the wind way for you, so that you don't have to learn special lip control to make a whistle sound like on a transverse flute.. You just put your lips on the mouthpiece and blow. You will make notes on the very first try. 4. Plastic recorders are inexpensive. An Halo Brand Alto recorder sells for under \$ 18.

Alto Recorder

The recorder is a family of woodwind musical instruments in the group known as internal duct flutes—flutes with a whistle mouthpiece, also known as fipple flutes. A recorder can be distinguished from other duct flutes by the presence of a thumb-hole for the upper hand and seven finger-holes: three for the upper hand and four for the lower.
