While there thousands of eBooks available to download online including the ones that you to purchase, there are many websites that offer free eBooks to download.

My Inventions And Other Writings

It'd be a 5 stars if the diagrams mentioned in Tesla's other writings were included. I found myself zoning out a bit with the chem and physics talk. I love the math behind it, but the science confuses me, and the diagrams would have been very beneficial. Tesla had great visions of inventions and
